Dear Madam,

**INCOME TAX: TRANSFER OF UNCLAIMED BENEFIT FROM
RETIREMENT ANNUITY FUND**

The IRF submission to SARS Ref 0985 of 6 October 2009 refers. Please note that this submission was only received by this office on 12 January 2010.

We hereby acknowledge receipt of the submission. We are however of the view that this matter entails amending legislation and suggest that further communication should therefore rather be addressed to National Treasury.

We trust that you will find the above helpful.

Sincerely
